## Thank you to all of our friends!

The diversity and spread of ABALIMI's friends is the result of 20 years of relationship building. This list covers the reporting period of April 2010 - March 2011. NOTE: if there is anyone who should be mentioned, or anyone who no longer wishes to be mentioned, we will make amends. We are deeply grateful for your partnership and commitment. Every cent is efficiently utilised to deliver results. Audited financial statements are available on request.

# Special Mentions ~ Volunteers

We would like to honour and give special thanks to all the volunteers who supported Abalimi!

Abalimi is a Volunteer Association. Core functions are carried by paid staff appointed by the Association. Volunteers enhance Abalimi's value-driven mission by sitting on our Governing Board and carrying out special projects and duties that improve our impact. Volunteers do not receive any form of financial reward from Abalimi and are asked to be highly reliable, self-motivated and self managed. Abalimi does not run a formalized 'volunteer support program'.

Most volunteers worked for a day, a few days or a week or two, while a few have worked for over a month and some for a year or more, while others serve over many years on our Governing Board !
